

HANSA Union nut 7/16"-20UNF w sealing cap_2609200050

Product short description:

Union nut 7/16"-20UNF w sealing cap
According to DIN 8912 - fulfils DIN EN ISO14903
Dimension (LxWxH): 17x20x15 mm
Weight: 0,019 kg
Part-No.: 2609200050

Made in Germany

Product codes:

Reference: 2609200050
EAN13: 4251692917695

Product description:

Materials

- 1: Union nut: brass CW614/617
- 2: Cap seal: copper CW024A (CU-DHP) or CW021A (CU-HCP)
- 3: Silicone, neutral crosslinking

Note: The silicone bonding is an assembly aid and does not provide a sealing function!

Operating pressure rang up to 130 bar

Operating temperature: -50°C to +150°C
